Auction information

Auction Date	Auction ID	Batch	Plate	Chassis	Mark	Model	Condition	Principal
September 26, 2012	-	1707	ABC1D23	0XX00XXX0X000000	Toyota	Corolla XEI	-	Zurich Minas Brasil Seguros S/A USZA

⚠ Please note: Auction information comes from various auctioneers across the country, not from public databases such as the DMV. Furthermore, auction information often needs to be collected in person, which means suppliers don't have real-time access to 100% of the vehicles auctioned in Brazil.

Auction Score

Score: Medium Damage: Vehicles with signs of moderate damage, such as large dents and broken parts, as well as mechanical items with malfunctions at the time of auction. These vehicles are primarily produced by vehicles that have been in a collision or experienced mechanical problems, such as flooding. Vehicles recovered from theft and robbery with medium damage. Vehicles from companies or public bodies with damage or malfunction. Vehicles from insurance companies.

Indication of Loss

There is evidence of an accident for the vehicle reported

Notes in Banks, Financial Institutions or Insurance Companies

License plate: ABC1D23

Chassis: 0XX00XXX0X000000

Analysis: The vehicle has a high-risk alert from banks, financial institutions, or insurance companies. This restriction may result in a denial of financing/insurance in its entirety or with a percentage lower than 100%.

Seller's Note

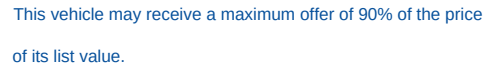

The car is impeccable, with no details, touch-ups, or mechanical issues. Everything is in perfect condition. It's regularly serviced. I hardly ever drive it. All consumables, such as brake pads, discs, and even the clutch, are new. It has a Pioneer multimedia center that has incredible sound with the original Beats speakers. I have the original radio. Dealers, please don't insist on this.

Full Description

With this initiative, FCA aims to ensure customer satisfaction, guaranteeing the quality, safety and reliability of FIAT brand vehicles.

Description	Identifier	Situation
The brake fault light will not illuminate in case of low fluid level, which reduces braking efficiency and increases the risk of an accident with physical damage and, in extreme cases, risks fatal to vehicle occupants and third parties.	0XX00XX000 - Risk of accident, braking efficiency	Pending attention
